QUALIFICATION PERIOD:*

March 1, 2015 — November 30, 2015

EARNING TRIP POINTS

Each new personally sponsored Distributor or Preferred Customer — with an initial order of at least 100 PV — earns trip points for you, the sponsor:

- 100–199 PV = **10** trip points
- 200–399 PV = **25** trip points
- 400+ PV = **50** trip points

BONUS TRIP POINTS

You also earn points when those new sign-ups place subsequent orders over the next two months (max.), as follows:

- 400+ PV = **50** trip points per month
- 200–399 PV = **25** trip points per month
- 100–199 PV = **10** trip points per month

TRIP POINTS

300 pts. = **You qualify** for the all-expenses-paid land package (shared room)

500 pts. = **You and a guest** qualify for the all-expenses-paid land package (one room)

100 pts. = \$100 travel voucher (after earning 300 pts [single] or 500 pts [couple])

TRAVEL VOUCHERS

- Once you've earned enough points (*300 single, 500 couple*) to qualify for the land package, keep earning points toward travel vouchers.
- For every 100 trip points beyond the 300/500, earns you \$100 in travel cash.
- Travel vouchers can be used to pay for flight or other expenses related to this incentive trip.
EXAMPLE: Say you earn 500 points to qualify yourself and a guest, and then an additional 700 points (max. of 1,000 extra points possible/person). Once your attendance is confirmed, XANGO will pay you \$700 to be used in whatever way your trip needs it (flights, fuel, flip-flops, etc.).
