### 20K Glenys Castle:

#### Testimony on XANGO Aeris 2 Minute Miracle Gel™

I started using the 2 Minute Miracle Gel at the end of October 2016. I have never liked using traditional exfoliators before (the feeling of using sandpaper). I was very pleasantly surprised how the 2MM Gel felt and even better, the great results I've had using it. The gel feels wonderful and gentle on the skin and is so refreshing. I thought after a day or two I wouldn't get the same amount of skin exfoliating off each day, but I was wrong. Every day the dead skin is coming off and my face feels so fresh after using it. The fact I don't have to cleanse, tone and moisturize in separate steps is such a time saver for me, plus there is no need for me to buy those extra products anymore! The lines around my mouth and on my forehead are diminishing and my neck has improved tremendously! – **Glenys Castle**

### Hello from the developer of XANGO Aeris 2 Minute Miracle Gel™, Shelly Maguire!

Have you got two minutes? That is all it takes to share this amazing and unique skin care product! I originally developed the 2 Minute Miracle Gel for use in my own chain of spas. It became a product that worked 100% of the time on 100% of the people, replacing 7 products in 1 and providing instant visible results. Now with XANGO, we have enhanced our formula with the addition of the powerful Mangosteen fruit. I am so excited that you have the opportunity to use and share the Aeris 2 Minute Miracle Gel to achieve smooth, bright, glowing skin. And now my passion and commitment is to support you, Xango Australia, through private messaging, Skype calls, Zoom calls and more! This is an exciting time for us all so I hope you will reach out to me on [Facebook!](#)

Cheers!
